### Dodgers Grab 2-1 Edge Over Yanks In World Series

#### Roe's Hurling, Berra's Boner Decide Battle

By Jack Hand

New York (AP)—Yogi Berra pulled a horrendous blunder by letting two Brooklyn runs stream home on a passed ball while the dazed catcher stood by in the ninth inning yesterday. As a result the Dodgers took the World Series lead, two games to one, with a 5-3 victory over the New York Yankees on Preacher Roe's gritty six-hit pitching.

Berra's glaring error, boosting a 3-2 Dodger lead to 5-2 at the time, became an agonizing nightmare when Johnny Mize delivered a pinch-hit homer in the bottom of the ninth that would have tied the score.

There were men on second and third, as the result of a double steal following back-to-back singles by Peevée Reese and Jackie Robinson, when relief pitcher Tom Gorman threw an inside 2-2 pitch to Andy Pafko.

The ball glanced off Berra's left hand and rolled to the screen near the Brooklyn dugout, about 75 feet from the plate.

Berra whirled around and then stopped as the ball rolled to the screen. Reese already was winging across the plate. When the dazed Yogi failed to rush after the ball, Robinson also steamed home.

It recalled the incident of the 1941 Brooklyn-Yankee series when Mickey Owen missed a third strike on Tommy Henrich with two out in the ninth, opening the gates for a four-run rally and a Yankee victory.

If Mize had not chosen the last of the ninth for his first World Series home run, Berra's misplay would not have been such a factor, but the Mize blow meant the two runs in the top of the ninth were the decisive ones.

#### Britain Names New Envoy To America

London, (AP)—Sir Roger Makins, a brilliant career diplomat with an American wife, today was named the British ambassador to the United States.

Sir Roger, 48, also a topflight economist, is the husband of the former Alice Davis and the brother-in-law of William McCleskey Martin Jr., chairman of the U. S. Federal Reserve Board. Sir Roger and Martin married the daughters of the late Dwight F. Davis, former U. S. secretary of war and donor of the Davis Cup in international tennis.

Sir Roger succeeds scholarly Sir Oliver Franks, who has been ambassador in Washington since 1948.

The appointment underlines the importance with which Britain regards her economic links with the United States.

Sir Roger has long headed the economic affairs department of the Foreign Office with a rank of deputy undersecretary of state. He is rated as one of the brightest stars in Britain's diplomatic service.

Lady Alice, once a St. Louis, Mo., girl, and Sir Roger run a farm and market garden in Hampshire in their spare time. They have two sons and four daughters.

The entire family will probably go to Washington when Sir Roger takes up his new post around December.

#### Taft Attacks Pro-Commie Foreign Policy

Columbus, O. (AP)—Sen. Robert A. Taft said last night the election of Gov. Adlai Stevenson, the Democratic presidential nominee, would mean "a continuation of the wavering, unstable, pro-Communist philosophy that has almost brought this country to destruction."

Sen. Taft joined two other Republican senators—William F. Knowland of California and John W. Bricker of Ohio—in a bitter denunciation of administration foreign policy, particularly the handling of the Korean War.

"Mr. Stevenson has no remedy for the Korean War," said Sen. Taft.

"Gen. Eisenhower said that in his opinion we should arm the South Koreans as rapidly as possible and when they are in a condition to defend themselves we should withdraw American troops. He recognizes that we cannot permanently maintain American troops on the continent of Asia."

"More than that, the great difference between Mr. Stevenson and Gen. Eisenhower is that the Republican candidate promises to clean out the State Department."

"On June 13 he said he would clean out the top personnel of the State Department which was all from the Democratic party. He said 'we need a new administration and I mean new in all its parts.'"

"Mr. Stevenson has always been a close friend of Secretary Acheson. His election means a continuation of Acheson's wavering, unstable, pro-Communist philosophy that has almost brought this country to destruction."

#### State Approves Sewer Project

Harrisburg, (AP)—The State Health Department yesterday issued permits to three municipalities for the construction of sewage systems approved by the Sanitary Water Board.

Dickson City, Lackawanna County, interceptors and sewage treatment plant; Stroudsburg, sewage treatment plant.

#### First Snow Falls In Pennsylvania

Kane, (AP)—Pennsylvania's first snow of the season was reported in Kane yesterday where snow flakes mixed with a light rain fell for a brief time.

The flakes melted as fast as they hit the ground. The temperature dipped to 32 degrees. Last year, Kane recorded its first snow on Sept. 28.

#### State Police Raid 70 Clubs In 5 Counties, Seize 400 Slot Machines In Erie Alone

Harrisburg, (AP)—State police raided at least 70 gambling clubs in Central and Western Pennsylvania yesterday, carting away more than 400 slot machines in Erie County alone.

No arrests were reported, shrouding what an official described as the "biggest raids in state police history in even deeper mystery."

State Police Commissioner C. M. Wilhelm noted that reports indicated the raids were "successful" and pointed out they were made "upon complaints of responsible citizens."

Beyond that he would only say: "No comment."

The identity of the "responsible citizens" was not disclosed but the use of such a designation was a shift in Wilhelm's tactics. Consistently he has refused to commandeer state police for any ac-

#### Couple Reports \$7,000 Theft From Auto

Thieves smashed the window of a car Thursday night in Stroudsburg and escaped with nearly \$7,000 in traveler's checks and jewelry.

Owners of the car were Herbert Bonnett and his wife Salletta P., of 140 E. 28th St., New York City, who reported the robbery to Stroudsburg police at 8:15 p. m. Thursday.

Bonnett, a British subject who is the retired Surgeon-General of the Malaysian Survey Department, Malaya, now a permanent U. S. resident, told Stroudsburg Patrolman Bill Dwyer about the robbery shortly after he and his wife discovered it.

The car was parked on Seventh St., alongside the First Stroudsburg National Bank.

Bonnett said he and his wife had parked there at "about 7:45 p. m." and had gone into a restaurant for dinner. When they returned at 8:15 they found the right front ventilator window of the car smashed in.

The doors of the car, a 1952 sedan, were still locked when the couple returned from dinner.

Missing from the inside of the car, however, were a total of \$2,400 in traveler's checks—in denomination series of fifties, twenties and tens—and more than \$4,000 in jewelry belonging to Mrs. Bonnett.

Left untouched by the thieves were several fur pieces, coats and cameras stored in the back seat and floor area.

Luggage containing the jewelry had been taken from the car, the couple told police.

The glove compartment, which Mrs. Bonnett said she had locked before the couple left the car, had been jammed open. Nothing was missing from the compartment, she said.

Mr. and Mrs. Bonnett told Stroudsburg Police Chief James McConnell and Patrolman Dwyer they had "left New York about 1 p. m." on their way to Cresco.

After crossing the George Washington Bridge, they said, they had had "trouble with the car" near Montclair, N. J., and had stopped for a short time to make repairs.

They arrived in Stroudsburg at 7:45 p. m. and immediately parked the vehicle, went to a restaurant and ordered dinner.

Half an hour later, they returned to the car, found the smashed front window and Bonnett walked across the street where he notified Dwyer of the theft.

The Bonnetts remained in Monroe County yesterday but are scheduled to return to New York this weekend.

The investigation will continue under the direction of Chief McConnell and Dwyer.

#### Girls Convicted As Probe Widens

Elyria, O. (AP)—Five Lorain schoolgirls were convicted of delinquency yesterday as authorities continued a probe into reports of wild sex and drinking activities among Lorain high school students.

Juvenile Judge Malcolm Thompson said he based his decision on the girls' participation in a brawl three weeks ago at a Lorain football game. Any penalties, he said, would be withheld pending the outcome of the investigation by county officials of sex and drinking.

Major Andrew J. Hudock led 40 two-man teams of troopers in the Erie County area. He said they had confiscated 400 machines five hours after the raids began—"and they're still coming in."

He added: "We had no trouble at all as our search warrants were respected. . . . We didn't miss a thing. We got some roulette wheels, pinball machines, lottery numbers, chuck-a-luck devices and bingo equipment."

"No arrests have been made," Major Charles Keller, in charge of the Harrisburg area, conducted raids in Mifflin, Union and Juniata counties, and one raid in Fayette County.

Hudock said the machines contained thousands of dollars in coins. There were guesses the money would exceed \$500,000.

Dist. Atty. Damian J. McLaughlin of Erie County said he had not been consulted about the raids but added they were "not altogether surprising."

Hudock said the list of raided clubs was furnished by Wilhelm. Wilhelm said he could give no accounting of the size of the raids nor why they occurred at this time.

"I will have no comment until I have the complete reports of the raids before me," he said, adding that the reports should be in by this morning.

He declined to comment when asked if the raids constituted the beginning of a new state-wide campaign against gambling devices.

#### 20 County Men To Be Inducted

Twenty Monroe County men have been ordered by Selective Service Board 165 to report to Wilkes-Barre Monday morning for induction into the armed forces.

Listed by the local board are the following:

Lewis E. Smith Jr. and Robert F. O. Waldenmaier, both of Saylorsburg; John J. Barlieb and Joseph A. Kunkle, both of Kunkletown; James A. Sickler and Melvin J. Smith, both of Canadensis; Francis J. Somers, of Mountainhome and Martin H. Leshner, of Mount Pocono.

#### Bolstered U.S. Airmen Down Three MIGs

Seoul, (AP)—Newly-reinforced U. S. jet fighters swarmed over North Korea yesterday, shooting down three Communist MIGs and damaging four more, the Air Force reported.

Dogfights raged near the Manchurian frontier even as U. S. Air Secretary Thomas K. Finletter Jr., declared in Tokyo that overall jet production in the U. S. "has caught up with Russian production."

Finletter gave no figures, for security reasons, but he confirmed that a 50 per cent buildup of air power already was well under way in Korea. Some reinforcements have been delivered, and more are on the way.

The beefed-up Allied air arm, he told newsmen, could step up the air war "on very short notice" and "handle any threat" from Red planes based in Manchuria.

Earlier this week, Gen. O. P. Weyland, chief of the Far East Air Forces, estimated the Chinese Red air force had 2,500 combat planes of all types in China and Manchuria. This included 1,100 modern Russian-built jet fighters.

#### Barkley Serves Grand-Nephew's Newspaper Route

Paducah, Ky. (AP)—A large crowd lined the streets along Johnny Dwyer's newspaper route yesterday.

Johnny's great-uncle was helping him deliver the Paducah Sun-Democrat.

That uncle, Vice President Alben Barkley, gave door-to-door service and complained because he was unable to collect any money for subscriptions.

Greeting one woman, the 74-year-old Kentuckian said: "I'm delivering your newspaper this afternoon and taking subscriptions—in advance."

The woman thanked him but said she was paid up until about the first of January.

"That's fine," replied Barkley. "I'll be back then. I'm going to be out of a job the first of the year anyway."

Barkley's stint was a tribute to the nation's newsmen to be honored today as part of National Newspaper Week.

#### Adlai Gives Priority To Two Issues

Columbus, Ohio (AP)—Gov. Adlai E. Stevenson called last night for a social security program covering more workers, for increased benefits as living costs rise, and for protection of Americans against the economic disaster of catastrophic illness.

But the Democratic presidential nominee said "the top priority now is defense and inflation control" and that expansion of human welfare programs must be undertaken against a background of safeguards to assure national solvency.

The Illinois governor said his party is leading the way toward the goals he set forth and already has given the nation better housing, better hospital facilities and other social welfare improvements.

And it all has been accomplished, Stevenson added, "in the teeth of implacable and relentless opposition of Republicans in Congress."

Invasion of the home state of Sen. Robert A. Taft, the governor said in an address at Memorial Auditorium:

"I am glad to be in Ohio and pay my respects to the uncrowned boss of the Republican party—Sen. Taft. At least you know where he stands."

That was a two-way cut at Gen. Dwight D. Eisenhower, Stevenson's GOP rival for the presidency.

In talking of Taft as the party's uncrowned boss, the Illinois governor in effect was repeating a contention that the Ohio senator has taken over Eisenhower's campaign—after losing out to the general in the race for the presidential nomination.

And in talking of knowing where Taft stands, the Democratic nominee again was sounding a theme he has been hammering—Taft's frequent shifts of position on the issues.

While Gov. Stevenson was talking about Sen. Taft at Memorial Hall, the Ohio senator talked about the Illinois governor a few blocks away at the Neil House before a meeting of Republican women.

Nearly all of Stevenson's speech last night was devoted to discussion of human welfare problems.

He declared: "Even more important, candidly, than immediate further advances . . . is our national solvency. It is just not that a program is desirable; the question also is whether we can afford it without endangering something else, or, indeed, everything."

"The top priority now is defense and inflation control. Social gains at the price of peace or a healthy economy, on which the whole world depends, will not be gains but frightful losses."

"The top priority now is defense and inflation control. Social gains at the price of peace or a healthy economy, on which the whole world depends, will not be gains but frightful losses."

The Republican party platform hints at this intent, Truman said in a prepared speech. "Their candidate for president now has confirmed it and their record in Congress bears him out."

This was not Truman's first assault of the day on Eisenhower as a candidate. Earlier, at Klamath Falls, Ore., the President charged that despite his "five-star glitter," Eisenhower abandoned every one of his liberal principles as soon as the political going got rough.

There is anguish in the north country and hosts of dear old ladies and gentlemen are sure the world will never be the same. Some angry people who don't like to read news on page one have written to the editors threatening to stop reading altogether.

One indignant man said he guessed he would have to subscribe to the Times of London, which still knows what to do with news—put it back on page six where it belongs.

"Why not confess, if you're on the level."

"It's all the work of the printer's devil."

#### H-Bomb Explosion Held Possible

London (AP)—British newspapers speculated last night that Britain may have exploded the world's first hydrogen bomb in tests yesterday morning in Australia's west coast.

The only official word was that the country had set off its first atomic weapon in the bleak Monte Bello Islands. But the newspapers said the blast was the most powerful yet and some quoted experts on the scene as saying it was "possible" the explosion had been a hydrogen bomb.

#### Russia Demands Recall Of U.S. Ambassador Kennan, Says He Slandered Soviets

Washington, (AP)—Russia yesterday plunged Soviet-American relations into a new crisis by barring United States Ambassador George F. Kennan on the grounds that he "slandered" the Soviets.

The sudden action raised the prospect of retaliation by the United States although Secretary of State Acheson said that there is "no present intention" of expelling Soviet Ambassador Georgi N. Zarubin. He also said that a break in relations is not being considered.

Moscow in an unexpected note demanded the immediate recall of Kennan as being "persona non grata" or personally not acceptable, because he compared life for Americans in Moscow with the torment he underwent in Nazi Germany after Pearl Harbor.

Russia's action left the United States with no choice but to comply as Kennan was in Geneva.

Acheson, vigorously defending Kennan, said there was no way the Kremlin could be compelled to let him return to Moscow. Kennan was ordered to come home for consultation.

The new Moscow move served as a curtain raiser to Russia's widely publicized Communist party congress opening Sunday and some diplomats believed it was timed with this meeting in view.

Rejecting the Soviet slander charge, Acheson said Kennan's comparison of life under the Nazis—made in an interview at Berlin Sept. 19—will be recognized in most parts of the world as a truthful one.

"The Russian peoples themselves must be shamefully aware that foreigners within the Soviet Union are customarily treated by the Soviet government in ways which are the exact contrary of civilized international usage," Acheson said in a statement.

#### Ike Calls For Reelection Of McCarthy, Backs Fight Against Reds In Government

Milwaukee, (AP)—Gen. Dwight D. Eisenhower publicly called yesterday for the re-election of Sen. Joseph R. McCarthy, and he backed up the senator's position on Communist penetration into the federal government with this grim assertion:

"It meant—in its most ugly triumph—treason itself."

Eisenhower, the Republican presidential candidate, also lashed out at President Truman and at Gov. Adlai Stevenson, the Democratic candidate for president, for some of the things they have said in connection with the question of Red operations in Washington. He did not mention either the President or Stevenson by name.

#### HST Fires Away Again At General

Aboard Truman Train, (AP)—President Truman invaded California in his stop-Eisenhower campaign yesterday, firing away at the general as "the spokesman for the Old Guard GOP," and forecasting an end to public power development "if the Republicans succeed in grabbing off the White House and the Congress next November."

At stake were California's 32 electoral votes, which Truman captured for himself four years ago and now is fighting, in a war at the whistle stops, to win for Gov. Adlai Stevenson and the Democratic ticket.

After pausing to inspect mighty Shasta Dam—which waters the farms and powers industries in the Golden State's Central Valley—Truman declared at Redding that Gen. Dwight D. Eisenhower has removed any doubt that the Republicans would wreck the public power program if they got the chance.

The Republican party platform hints at this intent, Truman said in a prepared speech. "Their candidate for president now has confirmed it and their record in Congress bears him out."

This was not Truman's first assault of the day on Eisenhower as a candidate. Earlier, at Klamath Falls, Ore., the President charged that despite his "five-star glitter," Eisenhower abandoned every one of his liberal principles as soon as the political going got rough.

#### Former Slave Dies At 107

Pittsburgh (AP)—Duke Finch, former slave who saw Gen. Sherman march through the South during the Civil War, died yesterday at 107.

Born in Enfield, N. C., Finch came here in 1903 from Greensboro, N. C. He worked in the Glenwood car barns and a glass factory. When asked to what he attributed his longevity, he always replied:

"I just live right."

## Rev. Spangenberg Serves EUB Congregations At Keokee Chapel, Pocono Union

Being the father of 10 children, the grandfather of 24 and the pastor of a congregation numbering 100 can be quite an arduous ordeal. But not for Rev. Charles F. Spangenberg, of Paradise Valley. The congenial Evangelical United Brethren clergyman has planned far ahead, both for his family and members of his parish.

Born in Pen Argil where he lived for six months before moving to Bangor, he is the son of the late Mr. and Mrs. Gilmore Spangenberg. His wife, the former Lucie Jenkins, also is a Bangorian, the daughter of the late Mr. and Mrs. Joseph Jenkins. The couple graduated from Bangor High School in 1907 and was married a year later by Mrs. Spangenberg's uncle, Rev. E. A. Piper.

Continuing his education, Rev. Spangenberg opened an office in Bethlehem in 1919 and successfully worked as an architect until he entered the ministry in 1923. He was ordained in Harrisburg by Bishop John A. Stamm in 1923 as an Evangelical United Brethren minister. For about 15 years from 1923, he was pastor of St. Mark's EUB Church in Bethlehem and later was appointed pastor of Salem EUB Church in Danville.

In 1948 Rev. Spangenberg was appointed to head the congregation of Phoenixville EUB Church, but illness which hospitalized him for some time, forced cancellation of acceptance of his new charge.

Last year he was appointed by the annual conference of the Evangelical United Brethren Church to fill the unexpired term of Rev. Charles Hertzog as pastor of the Paradise Valley charge when Rev. Hertzog resigned to accept a pastorate at Amsterdam, N. Y. The term expired in April, 1951 and

William V. Nixon, lay vice-president of the vestry will leave on Sunday with Mrs. Nixon to attend the convention of the ULCA in Seattle, Wash., as an official delegate of the Allentown Conference of the Ministerium of Penna. Richmond M. Frantz, president of the Joint Council of the Tannersville Lutheran Charge, will represent the East Pennsylvania Conference of the Central Pennsylvania Synod in similar capacity.

Rally Day will be observed at 9:45 a.m. Sunday, October 12, according to Superintendent H. L. Cleveland. A special speaker will be present.

Rev. Charles F. Spangenberg

Rev. Spangenberg was reinstated by the conference.

Two churches comprise Rev. Spangenberg's responsibility. One is located along the original Paradise Trail, just west of Route 90 and is named Keokee Chapel. Legendary stories set the time of construction at about 1840, as a log house. The church as it now stands was built in 1899.

Rev. Spangenberg's second responsibility is Pocono Union Church at Misertown and the combined parish enrollment is 100 persons.

He spends his time equally between the two churches, holding morning worship in Pocono Union and earlier matins and vespers in Keokee Chapel. New hours in effect during the winter months find Sunday School at 10 a. m. and matins at 11 in Pocono Union; morning worship at 8:15, Sunday School at 11 and vespers at 7:30 in Keokee Chapel.

Rev. and Mrs. Spangenberg are entertaining one of their five daughters this week: Mrs. Richard Bots of Harrisburg. ## Jews Begin Celebration Of Succoth

Jews in this section at sundown yesterday began a nine-day celebration of Succoth, Feast of Booths to commemorate the harvest in Israel in ancient times.

Rabbi Maurice Idell, spiritual director, conducted services which continue today at 7:30 a. m. and 7 p. m. Tomorrow two services will occur, one at 9 a. m. and a special ceremony and party for the children one hour later.

Succoth will conclude Sunday, Oct. 12 with the observance of Simchas Torah (rejoicing in the law).

A committee from Temple Israel this week constructed a booth in the temple which will be used during the observance. The wooden structure, decorated with corn stalks and various garden products prevalent at this time of the year, will be the scene of a special prayer after each service. It parallels the shelter provided Jews in Biblical times when they sought overnight refuge while spending countless days in the field during harvest time.

Tomorrow morning the children will hold their ceremony in the booth and will be served refreshments there.

Committee who erected the booth included Henry Reader, president of the congregation; Mrs. Irene Rothstein, Edward Katz, Nathan Hammerman, Samuel Neider, S. Shariot, Mrs. Seymour Katz and Mrs. Mildred Nagler.

## Parsonage Renovated

The Evangelical United Brethren Parsonage at Paradise Valley, sheltering the pastor and family of Keokee Chapel at Paradise Valley and Pocono Union at Misertown, has been improved and renovated.

A steel porcelain sign has been erected, designating the manse. The building was painted and the water supply system overhauled. This has been made possible by a gift from the Willing Workers Club of \$276 and one of \$103 from the Ladies Aid of Pocono Union. Labor for conditioning of the water supply system was donated by William Henry and George Gold, local residents. The Willing Workers, a women's organization also sponsored the painting of 200 feet of iron fencing at the church at Paradise, looking forward to the sixth annual home coming, Oct. 19.

In the morning worship at 11 a.m. the sacraments will be administered to what is expected to be one of the largest World Wide Communion congregations in the history of the church. The service calls together large numbers of the congregation year after year. The pastor, Rev. Harold C. Eaton, announces that the doors of the church will be open to receive new members.

The altar choir of the church, greatly augmented by the addition of a number of fine voices this fall, will sing "God So Loved The World." In the morning Mrs. William Howell and Mrs. Jack Swineford will be in charge of the Kindergarten, and during the evening service, Mrs. William Curnow Jr. and Mrs. Pearl Hunt will take care of the children.

Cooperating in these efforts are the First Stroudsburg Pentecostal Assembly of God on Stokes Ave. in South Stroudsburg. Rev. J. Russell Cairns, pastor, and the Full Gospel Assembly of Paradise Valley, Rev. William H. Douglas, pastor.

## World-Wide Fellowship Topic Chosen

The congregation of the Stroudsburg Methodist Church will observe World-Wide Communion on Sunday. During this observance the Protestant Churches in all parts of the world join in the Sacrament of the Lord's Supper, each church in its own sanctuary, as a united witness of faith in Christ.

The Youth Choir will sing for the first time this fall and will render "Thee We Adore" from the "Seven Last Words" under the direction of Robert Hawik. The Senior Choir under the leadership of Albert J. Fregans will sing "Cast Thy Burden." Mr. Fregans will play on the organ, "Chanson Matinale," "Andante" and "Allegro."

The minister, Rev. Roger C. Stimson, will give brief meditations on "Our World-Wide Fellowship" at each service of the sacrament. All of the meditations together will constitute the message of the service.

At the vesper service at 7:30 p.m. Rev. Stimson will speak on "Tests of Our Loyalty." The Stroudsburg Methodist Church is observing October as Loyalty Month when every member is attending church every Sunday. If possible, at the end of the vesper service, there will be an opportunity for any who did not receive the sacrament at the morning service to participate in the World-Wide Communion.

At 7:30 tomorrow night the first in a new series of Sunday evening services will be held. The pastor of the church will deliver a sermon drawn from a seldom-used parable of Jesus. The message will be entitled "The Tale of the Barren Tree." Herbert Bellairs will lead in an informal song service. The senior vested choir will sing "Lord Of All Being."

At 8:15 the Junior and Senior Westminister Fellowships will meet. The junior group will see the election of officers for the new year. The senior program will be in charge of Marlene Alleger.

Flowers in the sanctuary for both services tomorrow will be given by Mrs. Robert Kistler and family in memory of Robert Kistler.

## Methodist Church Plans Youth Service

The 7:30 p. m. service Sunday in the East Stroudsburg Methodist Church has been especially planned in the interest of the youth of the church. World Wide Communion Sunday will be climaxed in this service as the newly elected officers of the intermediate and the Senior Youth Fellowship will be installed in the Sunday night candlelight communion service.

The church sanctuary lighted only by candles, for the second time of the day will be the scene of the Sacrament of the Lord's Supper. Beautiful floral tribute to the day, in the form of a floral cross, with supporting altar vases filled with white flowers has been planned and will be presented by Mr. and Mrs. Harry Howell and family in memory of Mr. Howell's mother, Mrs. Jennie Howell.

In the morning worship at 11 a.m. the sacraments will be administered to what is expected to be one of the largest World Wide Communion congregations in the history of the church. ## Presbyterians Cooperating In Observance

The Sacrament of Holy Communion will be observed tomorrow at the 11 a. m. worship hour in the First Presbyterian Church of Stroudsburg. The observance will be particularly impressive in light of the fact that Christian Churches throughout the world will be gathering in virtually every land under heaven for a like purpose.

During the course of the service the senior vested choir will sing "Peace I Leave With You." The pastor of the church, Rev. Ernest T. Campbell, will administer the sacrament and will also deliver a communion meditation on the theme "World - Wide Communicants." The meditation will pose the question as to whether our individual Christian faith and love is as world-wide as the Christ whom we serve.

At 7:30 tomorrow night the first in a new series of Sunday evening services will be held. The pastor of the church will deliver a sermon drawn from a seldom-used parable of Jesus. The message will be entitled "The Tale of the Barren Tree." Herbert Bellairs will lead in an informal song service. The senior vested choir will sing "Lord Of All Being."

## Campaign Announced

October is National Enlargement month for the Assembly of God Churches all over America. During this month special efforts are put forth to reach the unchurched and to interest them in attending church and Sunday School. The main means is that of house to house visitation so that thousands of homes in America will be personally visited by members of the Assembly of God Churches.

As a prelude to this, students of the Eastern Bible Institute, as Assembly of God training school near Philadelphia, visited 150 or more homes last Saturday in the Mount Pocono, Paradise Valley area under the direction of the Full Gospel Assembly. They will spend the Assembly of God Church in Stroudsburg expects to have a group of students to help in these efforts.

Last year the results of the campaign were very gratifying, many Sunday Schools and churches having greatly increased. Many thousands of homes were contacted and more than one million Pentecostal Evangelists are expected to be in the field during the month of October.

## WHY DOES GOD CARE?

Three thousand years ago David asked the baffling question that has ever plagued the mind of man.

We are so tiny in the vastness of space, so drab in the grandeur of nature. Why does God care about each one of us?

David never found the answer. It remained for Jesus Christ to reveal the Love of God.

But David saw and believed the evidence of man's importance to God in the glory and honor God had given man: *Thou hast made him a little lower than the angels.*

Next Sunday — World Communion Sunday — Christians will unite in the sacrament which is their richest experience of the glory and honor God has given.

The World over, men will rejoice in a Divine Love so far-reaching that God gave His Son for humanity!

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Waring To Serve As 'Mr. Pennsylvania Of Monroe County'

## Name Entered In Competition For State Title

Fred Waring, whose name has become synonymous with his home State through years in show business, has been chosen to serve as "Mr. Pennsylvania of Monroe County" at a special luncheon meeting of all Monroe County service clubs on Tuesday, Oct. 14.

The nationally-known orchestra leader's name will be submitted in a State-wide competition for the selection of "Mr. Pennsylvania" for the Commonwealth as a whole. Nominations will also be received from service clubs in all counties throughout the State, apparently, and the title of "Mr. Pennsylvania" will be awarded to one man selected from this group.

Principal speaker for the combined service clubs luncheon meeting at noon on Tuesday, Oct. 14 will be William Livingston, secretary of internal affairs, Harrisburg.

Livengood is expected to talk about "Pennsylvania." It was announced last night by B. K. Williams, coordinator for the combined service club dinner.

Waring was born in Tyrone, Pa., a town with 2,000 population in Blair County—the son of a banker.

He has been active in show business since the early 1920's when his collegiate orchestra first began to break through with bookings throughout the country.

Waring attended Penn State College. When he made a name for himself in radio and theater appearances from coast-to-coast, his organization was called "Fred Waring and the Pennsylvanians."

In addition to his activities with the band and chorus, Waring has become one of the nation's largest music publishers.

Nearly all the official business of the organization, with the exception of the production of a weekly television program, is centered in the Monroe County area.

For many years, organization headquarters for Shawnee Press were maintained on Washington St. in East Stroudsburg.

This year, however, the company bought the old Castle Inn in Delaware Water Gap and has now moved its business offices into that building.

Waring arrangements have become standard in most college music workshops throughout the nation. Since its inception the Shawnee Press has printed hundreds of thousands of copies of such traditional popular tunes as "Julia Ward Howe's 'The Battle Hymn of the Republic'."

A musical workshop first organized for yearly presentation at Shawnee rapidly outgrew its quarters when hundreds of music instructors and college professors converged on the summer "campus."

This year the "workshop" went on the road for a series of summer appearances on college campuses across the nation. Next summer the conference will be moved back to its original site at Shawnee Inn with a new building for housing.

Waring's business interests include also the ownership of Shawnee Inn—formerly known as Buckwood Inn—at Shawnee-on-the-Delaware.

Through constant contact with the vast American public—by the way of the sheet music published by Shawnee Press, the publication of the Music Journal, advertising for his Shawnee Inn in national magazines and appearances on radio and television with the "Pennsylvanians"—Waring has served long and faithfully as one of this State's greatest publicists.

Contrary to the fears of the Sunday School board that a serious decline would result temporarily from a change in the hour, actually the school was more than fifty in attendance above the previous year, showing a total of 533 in all departments.

## State-Wide Air Raid Alert Slated For October 15 As Test Of Warning Systems

Harrisburg, (AP)—Gov. John S. Pine yesterday announced a state-wide air raid alert test for Oct. 15 hailing it as "our first state-wide class in personal survival."

The governor said the test will begin at 1:30 p.m. and will be conducted by the State Council of Civil Defense. Richard Gerstell, state civil defense director, said there are three primary purposes for the air raid drill:

To "provide a test of local attack warning systems, to school the public in basic air raid precautions and to gain the experience required for the promulgation of sound, practical rules and regulations to be enforced in the event of actual attack."

Public, private and parochial high schools throughout the state have been asked to give student demonstrations showing each community's role in civil defense following the alert, Gerstell said.

The director added that the air raid drill and school demonstration are to be held in conjunction with Pennsylvania Week.

## Blood Program Here Receives Area Honor

Monroe County has been asked to serve as a sort of a guinea pig for the area Blood Donor Center, which has requested that the local program, staffed as it is primarily by local volunteers, be subjected to an evaluation program.

LeRoy Mikelis in talking of the proposal said that it was a tribute to the efficiency of the volunteers and the completeness of the local service—which includes registered nurses, nurses aides, staff aides, and canteen workers in full numbers.

The chapter instructed Mrs. Ida R. Kunkle, executive secretary, to write accepting the proposal.

The blood program is now only 75 pints behind its quota for the year, Mr. Mikelis announced.

Arlington Williams presided at the well-attended meeting. George Price, first aid chairman, reported on the number of first aid instructors available in the county with 20 at the college and 2 in the community. He discussed the possibility of first aid courses in connection with the civil defense program.

Mrs. LeRoy Koehler, chairman of volunteer services, reported that during September, 77 volunteers had given 850 hours of service, including 304 at the hospital and the other with home service, and the two visits of the mobile blood unit during the month.

The home service report was given by Mrs. Clifford Heller, chairman showing 21 cases during the month, including 13 new cases and 6 requests not counted as cases. Thirteen of the cases were service cases. Five long distance calls were made and 11 telegrams sent. There were 67 office interviews and a number of home visits during the month.

The chapter also voted to join the National Red Cross in providing Christmas gifts for service personnel on the high seas or at embarkation points or ports on the Pacific on Christmas Day. Mrs. LeRoy Koehler, Mrs. Clifford Heller and Mrs. E. B. Turn were named to select and wrap 25 suitable gifts from the list suggested.

## Just Between Us

—By Bobby Westbrook

A Red Cross meeting can always restore your faith in human nature, especially when you hear of the local woman during the busy month of September gave 50 hours of volunteer service as a nurse's aide, and that on top of a full working day.

Pollyanna that I am, my faith in human nature doesn't often need restoring, but I must say that a Friday night in a newspaper office with two big football games on the schedule does dim your halos, gals.

However, the Clair Possinger have no doubt about human nature with those duplicate gifts for each of their twins. By a coincidence, their hostess, Virginia Post, knows just how handy those presents will come in having had twins of her own six months ago, and a twin shower.

Another coincidence in the news today is the fact that one of the speakers on the AAUW political panel is to be Miss Ruth Kistler, while Dr. Ruth Kistler is scheduled to make the introductions. Both teachers, they have met before, I understand, so it won't be quite as confusing as it they hadn't.

Sounds as if I am the confused one, and it sounds just right. You start parrotting "26 to 0" in favor of East Stroudsburg into the telephone only to find out the man wants to know in what inning did the Dodgers get the most runs. Good old Saturday.

## Duplicate Gifts Mark Shower For Twin Babies

Mr. and Mrs. Clair Possinger were seeing double at the cradle shower held for their twin sons on Thursday night, as all the guests brought duplicate gifts for the six-day old boys who were present for the party.

Mrs. Preston Post, hostess at the party, could appreciate how handy those double gifts would come in, since she herself is the mother of twin boys, born last March.

Games and refreshments marked the party. In addition to those at the party, gifts were sent by Mrs. Henry Barick, Mrs. Minnie Cramer, Mrs. Sherwood Roberts, Mrs. Joseph Widmer, Mrs. Betty Widmer.

Mrs. Irma Schmidt and Mrs. Lucille Barick assisted as hostesses.

Guests at the party included Mrs. Raymond Schmidt, Mrs. Bruce Possinger, Mrs. William Hochstetler, Mrs. Virginia Post, Mrs. Carrie Possinger, Mrs. Hattie Lasher, Mrs. Lucille Barick, Mrs. Myrtle Werkheiser, Mrs. Nancy Van Why, Mrs. Joyce Romansky, Mrs. Marshall Phillips, Mrs. Lester Elber, Mrs. James Strunk, Ronnie Miller, Billy Possinger, Grace Elizabeth Possinger, Theresa Van Why.

## Everitt Class Plans Duties For Winter

The A. F. Everitt class of St. John's Lutheran church school held its regular monthly meeting in the social rooms of Wednesday night with a very large attendance. The class decided to assume the responsibility of the morning Communion for the ensuing year. It was also decided that an effort will be made to have one hundred percent attendance at the Holy Communion next Sunday, which is World-Wide Communion Sunday. The class has had a record attendance for the year at the Sunday school sessions. Mrs. Carl Albertson, teacher and president, presided.

The idea of the annual Halloween dinner has been dispensed with in favor of a pre-Christmas party on the first Tuesday in December, headed by a committee which includes Mrs. Alvin Shook, Mrs. John Dunkelberger, Mrs. Harry Arnold and Miss Bess Harps, with guests of honor being the newer women that have affiliated with the congregation.

Election of officers will take place in November instead of December.

A social hour followed the business session, when refreshments were served on tables with the Fall motif by Mrs. Allison Everett, Mrs. Anna Meisell, Mrs. Alfred Kauter and Mrs. Fred Dennis. The class will supply all flowers for the Thanksgiving season.

## Local People To Leave For New Mexico

Mr. and Mrs. H. P. Chester, 725 Main St., Stroudsburg, and Dr. and Mrs. David Kohn, Mount Pocono, are leaving tomorrow morning on a motor trip to Alamogordo, New Mexico, to visit the former's son and daughter-in-law, Milton Chester and wife. They are expected to be about three weeks.

Milton Chester, graduate of Stroudsburg High School, is a member of the band at the Hallman Air Force base at Alamogordo. He also has charge of a small church located near the airbase.

**THE Wyckoff SHOPPER**

A telephone call from Miriam Lark advised me that eighteen girls from Pocono Township High School, with their teacher, Mrs. Mackes, would arrive shortly after lunch for a talk on fashions and fabrics. As a result, yesterday morning was a mad scramble of preparation. Extra chairs were moved into my office, and Viola Fetham assisted, pasting watches on cardboards appropriately labeled Cotton . . . Nylon . . . Rayon . . . and Nylon.

As I worked, I realized that whether or not Viola and I could teach anything to these already well-instructed young people, I, at least had learned a very great deal. For months I had been doing background research on trends and styles for our fashion shows, and had heard, of course, about the miraculous new fabrics that are so adept at disguise. Never before, however, had I actually held in my hands a rayon . . . such as the suiting by Burlington Mills, or Bonnie Plaid, or the ABO 100% spun rayon . . . to determine with my own fingertips and eyes how amazingly it can substitute for wool.

Cotton proved equally surprising. Oh, I had read . . . and used . . . such terms as Winter Cotton, Tweed, Wool-tone, and Bully-Chyme. But never had I realized that cotton is no longer the easily recognized staple that was once only a summer favorite. There is, I discovered, a cotton that feels like, and resembles chintz. A cotton that looks and feels like very fine monks cloth. And I can buy cotton at \$1.19 a yard that is embossed, striped, geometric, or of herring bone weave. It was quite a surprise, for instance, to have Beatrice Starkey point to Cynthia (the mannequin at the head of the stairway) and tell me that the prettily draped gown, pinned on her by Doug Gordon of our decorating department, is one of the cotton tweeds—a mixture of gray and white that has a silvery sheen from the distance.

Between 10 a.m. and noon, I learned that this is truly an amazing world in which we live . . . particularly in what is happening to the apparel we wear. Fabrics that were seasonal only a few years back are now in favor all year round, at a marked saving to those of us who budget.

Going through the racks of ready-made dresses with Viola, I also learned something else . . . that the difference between a homemade and ready-made garment may be only in one unusual touch the home dressmaker would probably overlook. This might be a button hole slashed on an angle . . . a velvet lined ascot tied under a plain collar . . . rhinestone buttons gleaming in unexpected places . . . regimental braids . . . faces and tuckings in tasteful decoration . . . velvet belts and matching neckerchiefs. And all are sold in our store, or can be made from our sewing aids.

It was wonderful having the Pocono Township girls. Thanks to them, I've learned so many things I should have known.

# Congratulations to your Daily Record Newspaperboy!

says ex-newspaperboy DANNY THOMAS  
Star of radio, television, and motion pictures.

## Today is National Newspaperboy Day!

The day when we turn to honor one of the greatest young Americans in the country. Your newspaperboy and mine. His job is an important public service to his community and his country. And one that has been the starting point for many a great man. But here's something I'll bet you didn't know about your newspaperboy. Something that proves what a patriotic citizen he really is.

In the past 11 years, before, during, and since World War II, your newspaperboy and a quarter of a million carrier boys just like him all over America, have become one of America's most effective volunteer "sales forces" for U. S. Defense Bonds. Under the sponsorship of the International Circulation Managers Association, these young men have distributed more than 60 million pieces of information about bonds and their value to you. And your newspaperboy and mine are actually responsible for the sale of several million dollars worth of bonds.

This week your newspaperboy will be calling on you with some important news about how improved U. S. Defense Bonds now pay 3% interest. Here's what he'll tell you:

## Great News! New money-earning features for U. S. Defense Bonds!

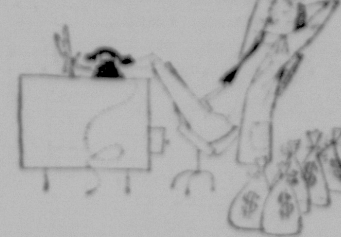

**FIRST**—Thanks to new Treasury regulations, every Series E Bond you buy begins earning interest after only 6 months. It earns 3% interest compounded semiannually when held to maturity. It reaches full maturity value earlier (9 years 5 months) and the interest it pays is now higher at the start.

**SECOND**—Every Series E Bond you own can now go on earning interest for 19 more years after it reaches the original maturity date—without your lifting a finger!

**THIRD**—During the 10-year extension period, every unmatured bond earns at the new, higher interest rate (average 3% compounded semiannually). Your original \$18.75 can now pay you back \$35.67, \$37.50 pays back \$67.31. And so on.

**FOURTH**—If you want to be paid the interest your bonds are earning every six months, or if you want to invest more than the present \$20,000 limit for E Bonds, ask at your bank about the new Series H, J, and K Defense Bonds.

U. S. Defense Bonds are one of the easiest, most convenient forms of saving ever invented. For through the Payroll Savings Plan where you work, you can buy bonds on a time payment plan. Just specify the payments, as large or as small as you like, and they will be automatically set aside from your salary. This way you save the money before you spend it. And millions of people have found this is one sure way to save.

Today this commemorative stamp is being issued by the U. S. Post Office, in honor of the newspaperboys of America. And the great job they have done for the U. S. Defense Bonds Program.

Peace is for the strong. For peace and prosperity, save with U. S. Defense Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council and

## Life of Riley

Followers of the East Stroudsburg State Teachers College football team will have to keep their fingers crossed today, in hopes that the injury jinx will relax its hold on the Warriors enough to allow some of the standout material to play up to par against Kings College, when the two grid foes clash in the first game to be played on the Normal Hill field today. Coach Gene Martin reports an even dozen injuries on his squad, each of which has a hold on an important player.

Reports out of Lehighton reveal that Denny Roth, six feet, four-inch end, suffered a broken arm last weekend and will be out of action for the season. Roth was by far the best player on the Lehighton roster. Racing fans are now having their troubles deciding on which track to attend, as Stroudsburg Speedway, Bone Stadium, Dorney Park and Nazareth all feature racing programs on Sunday. Night racing is out of the question this late in the season, due mainly to cold weather.

Fans of Joe Collins, Yankee first sacker, and Gil Hodges, first base guard for the Dodgers, are wondering just when their heroes are planning to enter the hit column, as both first sacker still have to register their first 1952 World Series hit. However, I have a feeling that today is the day, with either of the heroes destined to blossom out as the hitting star for the day. Monroe County has been well represented at the three games played thus far.

Clint Beecher saved the day for the Yankees by attending the second contest of the present series. Clint never sees the Yankees lose, and this "Doc" Alger, one of Clint's traveling mates on Thursday, never sees the Bronx Bombers win. Ray Weiss, scout for the Pittsburgh Pirates, was on hand for the second game. Ray has been doing a great job of figuring out the three games played to date one inning in advance and has hit the nail on the head with virtually every prediction.

Clint Getz, president of the Pocono Mountains League, is to be complimented on the manner in which he handled the ugly situation which arose last Sunday, in the Tannersville-Bushkill playoff series finale. The decision apparently has smoothed all the ruffled feathers among league members and the circuit seems to be back on an even keel again. The decisions made it necessary for both Bushkill and Kunkletown to feature their regular season rosters. The verdict was handed down at last Wednesday's special league meeting.

Mr. and Mrs. Marty Baldwin will take in the fourth game of the World Series today as part of their wedding anniversary celebration. Dick Serfass, former Polk High School basketball and basketball star, was a spectator at last night's football game between Palmerton and Stroudsburg High Schools. Dick is home from Alaska for a 30-day furlough, but must return to his base at the end of that time. Serfass has 14 months remaining to serve in the Army. Dick will be remembered for his many outstanding athletic feats a few years ago, while serving under the guidance of Coach Art Smith.

Jerry Stulgaitis, coach of football and baseball at Stroudsburg High, listed Patterson Park (Md.) High's grid machine as the best high school team he ever saw in action, after watching the Maryland squad defeat Allentown High last week, 12-6. Carlos Bernier, the outfielder recently purchased by the Pittsburgh Pirates from Hollywood, of the Pacific Coast League, is the same center fielder who played with Bristol, Conn., of the now defunct Colonial League, against the Stroudsburg Poconos in 1950, while both clubs were in Maryland for spring training.

It was exactly five years ago yesterday that "Cookie" Lavagetto doubled off the wall in the final inning of a World Series game to deprive Bill Bevens of a no-hitter and enable the Dodgers to down the New York Yankees. It was one year ago yesterday that Bobby Thompson hit his grand slam homer in the bottom of the ninth to give the Giants the deciding game in the special playoff series with the Dodgers and send the charges of Manager Leo Durocher into the World Series. The Giants took it on the chin at the hands of the Yankees in six games.

Lou Basche, former stock holder in the Stroudsburg Poconos, appeared ready to sell the Scranton franchise in the Eastern League, after holding it for only one year. Scranton and the St. Louis Browns recently parted ways, but the situation reportedly isn't as bad as some stories would have us believe. Lou will no doubt sell if he gets his price, but I'm told he is already working with a couple of major league clubs on an agreement for next season.

# East Stroudsburg Rolls Over Bangor, 26-0

## Cavaliers Run Wild In Second Period

Bangor—East Stroudsburg High's undefeated grid machine exploded for four touchdowns in the second period and rolled to a 26-0 victory over Bangor here last night, before approximately 3,000 fans at Memorial Park. It was the third straight favorable decision for the Cavaliers and the second loss in three outings for the Slaters.

The first period was played on a comparative even basis, but the high riding purple and white contingent ran wild in the second quarter.

Coach Jack Kist's spirited crowd opened the flood gates early in the

second round, when Paul "Candy" Miller passed four yards to end Jim Fritz for the initial touchdown. Bill "Bucky" Rodgers split the up-rights with his placement to give the visiting forces a 7-0 advantage.

However, there was still more to come, as big John "Juice" Arns broke through to block a Bangor punt, pick up the ball and carry it six yards to the home team's 20-yard stripe. Dick Merring threaded his way the final 16 yards of the short drive for Eastburg's second sixpointer. Rodgers again added the extra point to give the Cavaliers a mounting 14-0 lead at that point.

George Litts was the next East Stroudsburg back to break into the scoring act, when the chunky full-back intercepted a pass on the Bangor 35 and went all the way to the end zone for a touchdown, behind a display of fine blocking. Rodgers placement went wide of its mark and the Cavaliers tugged down the punt on the long end of a 20-0 count.

East Stroudsburg held Bangor on the next set of downs and the Cavaliers again gained possession of the ball. Jim Kintz, the fourth first string back to break into the scoring column, clinaxed the final scoring drive by crashing over for the six-yard touchdown. Miller passed for the extra point, but the play was recalled when the officials ruled that Miller's knee had touched the ground before he threw the pass, and the Cavaliers adjourned to the dressing room at halftime with a 26-0 advantage.

Bangor was never able to get back into the act, even against East Stroudsburg's second team that played a great deal of the second half.

The Cavaliers threatened again in the last quarter, but were unable to do any damage.

East Stroudsburg plays at Lehighton next Saturday and will be seeking its fourth straight favorable decision.

## Stroudsburg Speedway To Feature Full Card

Stroudsburg Speedway will feature another star-studded racing program today, with the first qualifying heat for the Big Car races scheduled to get underway at the new starting time of 2 p.m. The time trials for the big cars are slated to begin at 12:30 p.m.

Steve Yanigan, Bethlehem, the top man on last week's card, will be back again tomorrow to duel with Mike Magill, Haddonfield, N.J. who was second to the Bethlehem ace throughout last Sunday's program.

Steve McGrath, Stamford, Conn., will be back with the late Ted Horn's car and "Buddy" Powers, Philadelphia, top point producer in the United Racing Club, will also be back to take

over the position dominated by Yanigan last week.

**First Try**  
Charlie Miller, Ennauas, will make his first appearance on the local half-mile oval, when the fifth ranking point-man pits his skill against the field here tomorrow. Miller missed last week's opening card because of an accident at Bloomsburg last Saturday night, when he crashed into a retaining wall.

All the drivers who thrilled the capacity crowd last week will be back again tomorrow, plus several others, as the field of leading drivers battles for the popular cash and points.

Two demolition races are also carded for tomorrow, both to

follow the Big Car racing program. One demolition race will feature three women and the other five men.

The women taking part in the program are Mabel Martin, East Stroudsburg; Nancy Weikel, Ashland, Pa., and Evelyn McCarty, the Blond Bomb Shell for New Jersey.

As an added attraction, Tom Gahag, owner of Stroudsburg Speedway will feature "Shorty" Warren and his musical group. This is the second straight week for this sort of feature. Warren is a radio and recording cowboy star in the Newark-Jersey City area. He will begin singing and playing at 12 noon and continue throughout the afternoon, when an opening presents itself.

The East Stroudsburg defensive players shown are George Litts, left; Joe Shea (42), Dick Merring (16), Paul "Candy" Miller (12), and Mike Palmisano (20).

TOUCHDOWN—Stanley Mesaros, Palmerton end, is shown above catching the pass that gave Palmer-ton a touchdown and the only score of the game, as the Blue Bombers ran up a 6-0 victory over Stroudsburg last night. Lou Hoover (68), Bill Metzger (63) and Bill Morman (70) are the white-shirted defenders from Stroudsburg.

## Bad Pass From Center Sets Up Winning Score For Bombers

An alert Palmerton grid machine took advantage of a break late in the third period to score the game's only touchdown and give the visiting Blue Bombers a 6-0 victory over Stroudsburg High school last night at Gordon Giffels field, before the smallest crowd of the season to see a contest at the local ball yard this season.

The break came almost at the end of the third round, when a pass from center sailed high over the head of Karl Weingartner, Stroudsburg quarter-back, who was back to punt.

An unidentified Palmerton line-man fell on the ball on the 20-

yard stripe, giving the visiting eleven a scoring opportunity that it quickly turned into the winning margin.

Ed Shiner, brilliant in his quarterback role, drilled to the 14, but the big maroon and white Stroudsburg forward wall rose up and halted the next two offensive bids by the Blue Bombers.

However, just when it appeared that the visiting drive was halted, Shiner faded back and tossed an aerial to Stanley Mesaros, who gathered it in all alone on the five and crossed the goal line untouched for the game's only touchdown.

Palmerton's rush for the extra point was halted by the Stroudsburg line.

Stroudsburg came back to advance into scoring territory twice early in the fourth period, rolling to the 17-yard stripe on one occasion and to the 29 on another.

Weingartner's passing to ends Al Adelman and Dave Nevil and the runs of Captain Bill Bailey sparked both scoring threats, but nothing seemed to work when the Mountaineers roared into scoring territory. A fumble broke up one scoring bid and an intercepted pass halted the other goal-line excursion.

## Roe Uses Slider As Chief Pitch

By Will Grimsley

New York (AP)—The lean coach-hunter from Ash Flat, Ark., was eating high on the hog yesterday. "But I'm glad I didn't have to face that 'Yogi' Berra another time around," Elwin "Preacher" Roe said in the sweaty Brooklyn dressing room, gently massaging the whip-like left arm which for the second time in a World Series had tamed the mighty Yankees.

This time it was 5-3 on six hits and three of those hits were a home run, double, and a single off the bat of the Yankees' squat catcher, Berra.

"Two of the hits Yogi earned but that home run I gave to him free," Preacher, now a resident of White Plains, Mo., added.

"I fed him a high inside ball just where he likes it and boom—there it went. I shoulda known better."

**No Alibi**  
The French also fed a home run delivery to pinch-hitter Johnny Mize in the ninth, but he didn't alibi that one either.

"Johnny hit a low fast ball. I knew when I let go it was out of the park," Roe said.

Somebody asked the 34-year-old veteran southpaw if Mize's home run surprised him.

"Now," drawled the Arkansan. "He's hit some others like that."

Mize had poked 355 homers in regular season play during his major league career.

The slender, angular Roe said he didn't have the stuff he showed in 1949, when he beat the Yankees, 1-0, in the second game of the Series.

"I couldn't do anything with my curve, so I had to use my slider," he said. "My curve would break six inches one time, six feet another. But my slider was working odd. I used it more than anything else."

A few feet away, also the center of exploding flash bulbs and fast-scrubbing pencils, the Dodgers' restless little manager, Charles Dressen, paid tribute to Roe's clutch pitching and Brooklyn's daring base running.

"Roe was wilder than usual but was good in the tight spots," said Dressen. "Base running won for us today."

**Dodgers Favored To Capture Series**  
New York (AP)—The Brooklyn Dodgers yesterday became the favorite for the first time to win the World Series.

Quoted the National League champions at six to five but made the New York Yankees the choice at eight to five to take today's fourth game.

## Berra Goat Of Brooklyn Victory Over Yankees Despite Feat Of Banging Out Three Safeties

(Continued from Page One)

Yogi, who nicked Roe for three hits including an eighth-inning home run, also dropped a high foul pop by Duke Snider in the eighth when Brooklyn scored its third run.

The Preacher Man from Arkansas, was a magnificent figure on the chill afternoon. True and again he skirted disaster with the skill of a human fly sealing a skyscraper—and just as dangerously.

But he stuck in there gamely, pitching with his head as much as his arm. Only in the eighth and ninth when Berra and Mize slammed those home runs did the old Yank power erupt against the cool 34-year-old olderster. Most of the time he diverted the Yank punch into fizzling ground balls.

It turned out the pitch hit the

forefinger of Yogi's left hand. Yanks burned, Brooklyn ripped into its favorite meat — a left-hander, Eddie Lopat, who brought a shiny 4-0 World Series record into the game, was knocked loose in the ninth just before the passed ball incident. He gave up 10 of the 11 Brooklyn hits, all singles except one.

Gorman, a bespectacled rookie from Kansas City, came in with men on first and second and only one out. The Brooks pulled a double steal on him while he pitched to Roy Campanella, setting the stage for the passed ball, that first was scored a wild pitch. In the clubhouse, Berra took full blame for the pitch that got away while Manager Casey Stengel suggested it might have been an unexpected pitch by Gorman.

It turned out the pitch hit the

With the Dodgers holding the upper hand, Stengel named Allie Reynolds, (20-8), to work the fourth game tomorrow at the stadium.

Manager Charley Dressen picked Joe Black (15-4), the Negro relief ace who bested Reynolds opening day, to try it again.

This was a tingling ball game that kept the 66,698 fans jumping because there were baserunners galore. Only in two innings — the third and seventh — did the Yanks have no runners. The Dodgers were eve rougher on Lopat, who retired the side in order only once—the sixth.

## Big Football Battles Listed For Today

New York (AP)—College football muscled back into the World Series-dominated sports scene today with an outstanding collection of matches headed by the Illinois-Wisconsin and Michigan-Stanford clashes.

For matchmaking, the collision of second-ranked Illinois and eighth ranked Wisconsin at Madison rates top billing. For national spectator interest, Michigan and Stanford comes first. The 5 p.m. (EST) intersectional tilt from Palo Alto, Calif., will be telecast from coast to coast.

**South**  
It's only the first Saturday in October but the Illini and Badgers may come close to settling the Big Ten championship and the conference's Rose Bowl representative. The Illini made the trip to the West Coast last January 1 and can't go to the next game. But the Badgers can and would love to.

Michigan State journeys to Portland to take on Oregon State, Notre Dame, ranked 19th, tangles with fifth-ranked Texas at Austin, sixth-ranked Georgia Tech meets Southern California at Los Angeles, fourth-ranked California visits Minnesota at Minneapolis, Pittsburgh tangles to Oklahoma and 12th-ranked Villanova takes on Detroit in the motor city.

The top game in the South sends 11th-ranked Tennessee against on-surgling Duke, ranked tenth, at Durham. Purdue and Ohio State, two other contenders for the Big Ten title, meet at Columbus.

## Injury Riddled ESSTC Eleven Plays Host To Kings College

An injury riddled East Stroudsburg State Teachers College grid machine will be searching for its initial victory of the present campaign today, when the red and black clad Warriors play host to Kings College, with the kickoff scheduled to take place at 2 p.m. This will be the first football game played at ESSTC this season.

Coach Gene Martin listed an even dozen gridriders who have one form of injury or other, but he is hopeful that at least some of them will be ready by kickoff time today. Martin announced last night that Marlin "Ducky" Martz, former East Stroudsburg High star, would probably start at the right half-back post today, but the final choice was between the freshman speed demon and Tom Smith, Pen Argy.

**Forward Wall**  
The remainder of the home team's starting backfield will find southpaw George Steevers in the quarterback post, while Ted Murray, despite an ankle injury, will be at left half. Les Brubaker, wearing a mask to protect a nose injury, runs out of the fullback post.

ESSTC's forward wall will probably feature Bob Brown at left end; Jack Morris, left tackle; Al Levendis, left guard; Jerry Murray, center; Kenneth Cox, right guard; Tom Grater, also nursing a leg injury, and Bob Rhiel, hampered by a foot injury.

## Final Playoff Round Begins

Kunkletown — Bushkill and Kunkletown will open the championship series of the post-season Pocono Mountains League baseball playoffs tomorrow, with the first pitch scheduled to head plateward at 2 p. m.

Bushkill finished second in the regular season flag race and eliminated Tannersville in the semi-final playoff grid, by winning two straight contests. Tannersville completed the regular schedule in the number four spot.

Kunkletown, the regular season pennant winner, won two out of three games from Barrett in its half of the semi-final round. Barrett was the number three club in the final 1952 standings.

Pitching Ray Steele will receive the

starting assignment for the visiting Bushkill contingent, while either Earl Ziegenfuss or Asher Smith, both veteran right-handers, will toe the rubber for the home club.

Steele, one of the most talked about players to ever appear in Monroe and Pike counties' and surrounding areas, owns one victory over Kunkletown this year, but in his first shot at the regular season champs, the former East Stroudsburg High athletic star was driven from the box, although not charged with the defeat.

The second game of the final playoff series will be played at Bushkill next Sunday. If a third contest is necessary, it will be played on a field to be announced later, on Sunday, October 19.

# Martin, Berra May Be Unable To Take Part In Today's Series Tussle Against Dodgers

By Ted Smithe

New York (AP)—Yogi Berra took the blame on himself yesterday. In the tense, gloomy Yankee dressing room, for the pitch that escaped him in the ninth inning and allowed two potent Dodger runs to score in the third World Series game.

"I did it myself, it's my fault," said Berra, in a barely audible voice.

Manager Casey Stengel had suggested that pitcher Tom Gorman might have thrown a pitch Berra was not expecting, but the stocky Yankee catcher refused to pass the buck.

"It wasn't any cross-up I knew what was coming," said Berra.

No Pleasure The mishap took away any pleasure Berra might have had in hitting his third series homer—a bases empty blast in the eighth.

## Payroll Plan Suggested In Chest Drive

Donating to the Community Chest found through the factory or business house in which persons are employed serves a double purpose.

In clarifying some questions which have come to her attention, Ethel West, secretary of the Monroe County Community Chest and Council, last night pointed out two important ways in which the contribution through regular business channels will help both the donor and the Chest.

The first of these major points is that "by giving through the firm by which he is employed" the worker may specify that his donation be taken from his check on the regular "payroll deduction plan".

This plan spreads the donation out over a period of several months, thus eliminating the necessity for making the contribution in one lump sum.

If the donor wishes to make a contribution of \$12 to the Chest, for example, he may specify that this contribution be taken from his pay check in four equal payments.

In this way he would be making only a \$3 donation from each of four paychecks—one each in November, January, March and June.

On the other hand, the use of payroll deduction makes the work load much lighter on those workers who are cooperating in the Chest's "payroll" campaign from house-to-house between the hours of 7 and 9 p.m. on Wednesday, Oct. 8.

## Half Of Doe Licenses Sold

P. A. Rockefeller, Monroe County treasurer, estimated yesterday afternoon that by closing time today approximately 2,500 of the county's quota of 5,150 doe deer hunting licenses will have been disposed of.

The county treasurer advised hunters in the county intending to apply for the licenses to do so without delay to insure securing the same. The rush which has been on since the licenses arrived here indicated that the supply would be exhausted long before the opening of the season, Dec. 15, 16 and 17.

Last year there were 400 hunters who were unable to get licenses due to all having been sold out before the opening of the season. The daily applications through the mail at this time is very heavy, it was stated.

The county treasurer has suggested that doe deer license applicants residing in various sections of the county secure their regular licenses from the issuing agent in their area, thus saving time when calling for the doe license at the office at the courthouse.
